PiC Members agree to:

- Have working knowledge of PiC and its vision, mission and work in the community.
- Understand key talking points and be able to communicate PiC's mission.
- Lead by example in the community, role model asset building behaviors.
- Advocate for PiC in the greater community and encourage community membership.
- Attend all coalition meetings and sponsored activities whenever possible.
- Represent your sector at PiC meetings and share all pertinent information with other sector members. Educate your sector on drug/alcohol use trends, community information, prevention strategies, etc. as they become available.
- Be an active participant of PiC. Join a work committee (STAT), and attend trainings as appropriate.
